Dear Sir or Madam:

We are writing to you about . Please assist us by completing the enclosed questionnaire. We are requesting this information in order to determine whether work activity is/was subsidized under the Social Security rules. The information you provide will not be shared with other agencies and is in no way a negative reflection on the employee, or you as the employer.

Information About Subsidy

A subsidy exists when an employer willingly pays more in wages than the value of the actual services performed. This is usually for humanitarian reasons. A subsidy can be reflected by giving the employee:

- extra assistance,
- full wages for lower quality or quantity than standard, or
- fewer and/or easier duties than usual for that position.

Information about Unsuccessful Work Attempt

An unsuccessful work attempt may exist if the employee had frequent absences, performed unsatisfactorily, and worked for six months or less.

What We Need You To Do

Please have direct supervisor or another person having direct knowledge of the employee's work activity complete the work activity questionnaire.
